Annual General Meeting

Notice of the Annual General Meeting is given on page 5 of this document.

Resolution 1 – Adoption of the Company's annual report and financial statements for the year ended 31 December 2021 (ordinary resolution)

Company law requires the Directors to present the Company's annual report and financial statements for the year ended 31 December 2021 to shareholders for formal adoption. These are included in the 2021 Annual Report.

Resolution 2 – Approval of the Directors' Remuneration Report (ordinary resolution)

Under the Act, the Directors must prepare an annual report detailing the remuneration of the Directors and a statement by the Chair of the Remuneration Committee (together, the 'Directors' Remuneration Report'). The Act also requires that a resolution be put to shareholders each year for their approval of that report. This resolution is an advisory vote only and the Directors' entitlement to remuneration is not conditional on it.

The Directors' Remuneration Report can be found on pages 49 to 50 and 56 to 63 of the 2021 Annual Report.

Resolution 3 – Approval of the Directors' Remuneration Policy (ordinary resolution)

This resolution is in accordance with the provision contained in the Companies Act 2006 (the 'Act') setting out the requirement for shareholder approval of a company's directors' remuneration policy (the 'Directors' Remuneration Policy'). This is a binding shareholder vote and, after it takes effect, the Company will not be able to make a remuneration payment to a current or future Director or a payment for loss of office to a current or past Director unless that payment is consistent with the approved policy or has been approved by a resolution of the shareholders of the Company. If this resolution is approved, the policy will take effect from the date of the meeting.

The proposed Directors' Remuneration Policy can be found on pages 51 to 55 of the 2021 Annual Report.

Resolution 4 – To declare a final dividend for the year ended 31 December 2021 (ordinary resolution)

Resolution 4 proposes the final dividend in respect of the year ended 31 December 2021. A final dividend can only be paid after its approval by shareholders. The Directors recommend a final dividend of 0.5p per ordinary share of 10p each in the capital of the Company ('ordinary share') be declared payable on 27 May 2022 to holders of ordinary shares registered at the close of business on 13 May 2022.

Resolutions 5 to 10 – Re-election of Directors (ordinary resolutions)

The articles of association of the Company (the 'Articles') require Directors to stand for election at the first AGM following their appointment, and thereafter to retire by rotation. In line with best practice, the Directors have decided that all Directors not otherwise required to stand for election should offer themselves for re-election annually. Resolutions 5 to 10 propose the re-election of all Directors of the Company. Brief biographies of the Directors are set out in the 2021 Annual Report.

Resolutions 11 and 12 – To re-appoint the auditor and to agree their remuneration (ordinary resolutions)

The Company is required to appoint an auditor at each Annual General Meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting. The Audit Committee has reviewed the effectiveness, independence and objectivity of the external auditors, Crowe U.K. LLP ('Crowe') on behalf of the Board, who now propose resolution 11 to reappoint Crowe as auditor of the Company. Resolution 12 authorises the Audit Committee to negotiate and agree the remuneration of the auditor.

Resolution 13 – Authority to allot shares or grant subscription or conversion rights (ordinary resolution)

The resolution asks shareholders to grant the Directors authority under section 551 Companies Act 2006 (the 'Act') to allot shares or grant such subscription or conversion rights as are contemplated by sections 551(1)(a) and (b) respectively of the Act up to a maximum aggregate nominal value of £9,790,669.80 being approximately 66.67% (two thirds) of the nominal value of the issued ordinary share capital of the Company (excluding treasury shares) as at 15 March 2022. As at 15 March 2022, the Company held 4,550,179 treasury shares representing 3.01% of the total ordinary issued share capital of the Company. £4,895,334.90 of this authority is reserved for a fully pre-emptive rights issue. This is the maximum permitted amount under best practice corporate governance guidelines. The authority will expire at the next Annual General Meeting of the Company. The Directors have no present intention of exercising such authority other than to allot shares pursuant to the Company's share schemes in the ordinary course.

Resolutions 14 and 15 - Disapplication of pre-emption rights (special resolutions)

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

Resolution 14 deals with the authority of the Directors to allot new shares or other equity securities pursuant to the authority given by resolution 13, or sell treasury shares, for cash without the shares or other equity securities first being offered to shareholders in proportion to their existing holdings. Such authority shall only be used in connection with a pre-emptive offer, or otherwise, up to an aggregate nominal amount of £734,300.20, being approximately 5% of the total issued ordinary share capital of the Company (excluding treasury shares) as at 15 March 2022.

The Pre-emption Group Statement of Principles supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities (and sales of treasury shares for cash) representing no more than an additional 5% of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The Pre-emption Group's Statement of Principles defines 'specified capital investment' as meaning one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-emption Group, resolution 15 seeks to authorise the Directors to allot new shares and other equity securities pursuant to the authority given by resolution 13, or sell treasury shares, for cash up to a further nominal amount of £734,300.20, being approximately 5% of the total issued ordinary share capital of the Company as at 15 March 2022, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in resolution 15 is used, the Company will publish details of the placing in its next annual report.

If these resolutions are passed, the authorities will expire at the end of the next AGM or on 30 June 2023, whichever is the earlier.

The Board considers the authorities in resolutions 14 and 15 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Board does not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non pre-emptive basis in any rolling three-year period (other than in connection with an acquisition or specified capital investment as described in the Pre-emption Group's Statement of Principles) without prior consultation with shareholders.

Resolution 16 - Purchases of own shares by the Company (special resolution)

Resolution 16 seeks authority from holders of ordinary shares for the Company to make market purchases of its own ordinary shares, such authority being limited to the purchase of 14,686,004 ordinary shares with an aggregate nominal value of £1,468,600.40, being 10% of the ordinary shares in issue as at 15 March 2022 (excluding shares in treasury).

The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable, the upper limit being the price stipulated in Commission Delegated Regulation (EU) 2016/1052 as referred to in Article 5(6) of the EU Market Abuse Regulation, and the Listing Rules.

The authority to purchase the Company's own ordinary shares will only be exercised if the Directors consider that there is likely to be a beneficial impact on earnings per ordinary share and that it is in the best interests of the Company at the time. The Act permits the Company to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the Company. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under the Company's employees' share schemes. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

If the Directors exercise the authority conferred by resolution 16, they may consider holding those shares in treasury, rather than cancelling them. The Directors believe that holding shares in treasury would provide the Company with greater flexibility in the management of its share capital. The Directors will also consider using the treasury shares to satisfy share options/awards under the Company's employees' share schemes.

The total number of options to subscribe for ordinary shares that were outstanding at 15 March 2022 (being the latest practicable date prior to publication of this circular) was 7,670,937. The proportion of issued share capital that they represented at that time was 5.22% and the proportion of issued share capital that they will represent if the full authority to purchase shares (existing and being sought) is used is 6.53%.

If resolution 16 is passed, the authority will expire at the end of the next AGM or on 30 June 2023, whichever is the earlier.

Resolution 17 - Calling of general meetings (special resolution)

Resolution 17 seeks authority from shareholders to hold general meetings (other than Annual General Meetings) on 14 days' clear notice. This is permissible under the Articles and the Act. However, pursuant to the Companies Shareholders' Rights Regulations 2009, specific shareholder approval is required annually in order to retain this ability and shareholders must have the facility to vote by electronic means at the relevant meeting. Although the Company does not currently offer such a facility, the Directors believe that there may be circumstances in which it will be important for the Company to be able to call meetings at such short notice (at which shareholders would be able to vote electronically). Accordingly, the Directors believe that it is important for the Company to retain this flexibility.

Action to be taken

You will find enclosed with the Notice of Annual General Meeting a Form of Proxy. You are requested to complete the Form of Proxy and return it in accordance with the instructions printed thereon so that it is received as soon as possible and in any event by not later than 12.30pm on 9 May 2022.

Location of meeting

The Annual General Meeting will be held at 10 York Road, London SE1 7ND.

Recommendation

The Directors believe that the resolutions set out in the Notice of Annual General Meeting ('AGM') are in the best interests of the Company and its shareholders as a whole and unanimously recommend that shareholders vote in favour of all of the resolutions to be proposed at the AGM. The Directors who own ordinary shares intend to vote in favour of the resolutions to be proposed at the AGM.

Yours sincerely

Colin Jones
Chair
